

YOUR DONATION CAN HELP WOMEN BE EDUCATED, EMPOWERED & CONNECTED

I hope that this letter finds you well! I am writing to you today to talk to you about the Redlands Centre for Women – a not-for-profit charity that I established. We are based in Cleveland and we exist to educate, connect and empower women in the Redlands. We are run solely by a very passionate and dedicated group of volunteers and we rely on donations, grants, fundraising and Partnerships to do our valuable work in the community.

You may have heard of, or been involved in, some of our programs and events:

- The giving of Pink Pamper Packs to women struggling through a difficult time
- The giving of Nurture Boxes to all women who birth at the Redlands Hospital
- Young Parents Connect group for first time young mums aged 15-21
- Live your Best Life 5 week self-development program
- How to Talk so Kids Listen education program
- Live the Life You Want one day event
- Divorce Recovery Workshops
- Topic Nights, Meditation, Yoga, Bookclub
- Coffee Chat sessions
- Annual International Women's Day High Tea

I am writing today to ask whether you would consider donating to the Redlands Centre for Women to ensure that we can continue our work in the community of Redlands. 100% of money that is donated to the Centre is used to help fund our unique programs and services that are delivered to women in our community. Your donation, no matter how small, will help us to fulfil our mission of educating, connecting and empowering women in our local community. All donations \$2 and over are tax deductible. **Attached** is a donation form to guide you in this process.

Thank you for your time and help today and for all of your support. **YOU** are the reason why we continue our work in the community and **WE** are getting better every day!

Kind regards

Katrina
