

### What is a Pink Pamper Pack?

A Pink Pamper Pack (PPP) is a beautifully presented gift pack designed to spoil the Woman struggling through a difficult time and in need of pampering. It is a combination of beauty products, vouchers, decadent food and other items which may bring joy to the face of a woman.

### Where did the idea begin?

In 2007 Star of the Sea Parish (Cleveland) challenged its parishioners to grow a \$100.00 into a sizeable donation to help others in need in our community. The PPP Coordinator and her friends took up this challenge and set out to donate 2 packs per week to Women Struggling through a Difficult Time.

### Target Group!

Women Struggling through a Difficult Time! This could include new mothers, women suffering depression, isolation, marital problems or just simply women in need of some thing special during difficult times in their lives.

### Resourcing Pink Pamper Packs!

The PPP's were launched at a High Tea Fundraiser on 8<sup>th</sup> March, 2008. We raised sufficient funds to distribute two packs per week. A volunteer committee of 10 local Redland's women are committed to continuing this journey. We continue to source all kinds of sponsorship and donations for the Pamper Packs.

### Distribution of Pink Pamper Packs!

We have handed out over 495 packs to women in the Redlands.

With the support of Chaplains at Redlands Hospital, Chaplains in local State Primary and High Schools and local Churches the PPP's are being distributed to Women in Need.

Or you can nominate a woman by contacting our coordinator or visiting our website to download a nomination form.

### The Pink Pamper Pack Project Needs You!

The PPP committee needs the support of local community to continue making this project a success for women in the Redlands.

### How can you help?

1. Donate items for the pamper packs
2. Sponsor your own PPP by donating cash.

### What items can I donate?
